We do not take a bus to this meet. Friendly reminder this is in the Central Time Zone.

Girls 12:00 p.m., Boy's 12:30

Please plan to arrive by 10 a.m. This is to allow us plenty of time to acclimate to the weather, get our legs back under us after the car ride, and allow plenty of time for the bathroom line and any possible traffic delays. We also get to observe the Level A race and allows for easy access for transportation.

We park down the road at an elementary school, and bus transportation is provided to the meet location. Parents can drop off their runners and family and then go park. Address and more info will be provided as needed.
